SAFER SCHOOL INITIATIVE

We are very pleased to have retained our status as a Safer School. Thankyou to those who returned the questionnaires recently. Everything was very positive. The two issues that came up were dog mess and signage to the school from the village. We believe that a parent has made representation to the Parish Council to try and acquire additional dog mess bins. We shall be making enquiries about further signage directing people to the school - possibly pedestrian signage opposite the medical practice.

Our value for the term is '**Justice**'.
