 Thursday 18th July - End of Term (3.20)

PRAYER GROUP

Mrs Woolham attends school on Mondays at about 3pm to pray for the school community. If you would like to join her you would be most welcome. If you have any prayer requests, please let the office know and these can be passed on.

No Mow

Some of the children have been talking about how important insects are for plant growth and health. They have been thinking about all the plants that are good for

bees. Did you know that dandelions are great for bees as they produce more nectar and pollen than most other flowers? Bees also mark the flowers with a scent that tells other bees that the flower has already been visited!! Please think about not mowing the whole lawn and leave some wildflowers for the insects.

STAR ADULTS

A huge thankyou to Miss Doyle for helping sow the wild flower seeds on the 'turnaround' outside the school gate.

Also, to those parents who have helped shift the large quantity of muck that was delivered to the veg garden. We're hoping for a bumper crop of veg again this year!

Friends of Clive School would like to thank Rowlands and Co Ltd for generously donating fresh fruit in support of today's 'Fruity Friday' sale. Proceeds will be put towards the purchase of a weather station for school, a piece of equipment that FOCS have recently agreed to fund.
