Wednesday 4th December 2024

Dear Parent Carer

Thank-you to those who were able to attend last week's meeting and for making me feel so welcome in your school. It has been great to meet parent carers and listen to your feedback. It's through sharing your experiences and knowledge with the school that they will be able to make changes.

I have arranged a further meeting for the Spring term for you to put into your diaries.

The meeting will be held on Wednesday 5th February 2025

I will send an agenda to school nearer the time.

For those who were unable to attend the previous meeting, we still encourage you to join us for the following ones. The input of parent carer experience and views are a vital element of the PINS project. Input from Parent Carers will help improve support for children with additional needs within your school, alongside the training package being offered to school staff.

The Parent Carer Participation Group is for all parent carers of children with Special Educational Needs and Disability (SEND); no diagnosis or EHCP is required.

We will hold termly meetings in order to:

- Work co-operatively with the school
- Ensure that parent carers have their voices heard by the school
- Bring parent carers together to share experiences
- Introducing a closed Facebook Group, hosted by PACC specifically for Parent Carers at your school
- Share information about wider support offers available to Shropshire SEND Families

Please try to join us and encourage other parent carers to come along too.

I look forward to meeting you.

Yours sincerely,

Simone Goward

Parent Carer Liaison Lead
