## SEND News

**Dyspraxia** is a condition that can cause children to perform less well than expected in daily activities for their age, and appear to move clumsily. It is also known as Developmental Co-ordination Disorder (DCD). Daniel Radcliffe, Richard Branson and Florence Welch (singer) are famous personalities with dyspraxia. Albert Einstein, Emily Bronte and even Odysseus are suspected to have had dyspraxia!

## STAR PUPIL

Well done to Bardy who completed a 2 hour performance with Wem Jubilee training Band last Saturday. This was their first 'booked' performance and Bardy played her cornet brilliantly. Keep it up Bardy!!  
 Bardy has lessons with Mrs Hawke. If your child is interested in learning the cornet please get in touch with [Shropshire Music Service](#).
