SEND NEWS

Clive CE Primary School has been approached by Shropshire Council to help develop an information video about the Partnership for Inclusion of Neurodiversity in Schools (PINS) project. We have also been asked to share our experiences with schools involved in Year 2 of the project (we are Year 1). This work has also attracted the attention of the DfE who fund the nationwide project. Watch this space for more news!!

SUSTAINABILITY CORNER

There are 4 Prime Areas for our Climate Action Plan (CAP):

Adaptation and Resilience - our climate is changing. Whilst we can do things to lessen our impact on the climate, we are seeing many more extreme weather events. This ranges from storms, high rainfall, high temperatures. Our CAP has a number of targets including promotion of the benefits of water efficiency. One of our actions has been to turn off the flush in the urinals to save water, especially over the holidays. This also saves money as we are charged for water usage. The urinals are flushed daily by the cleaner.

PHOTOS

Next Thursday (12th), the photographer is in school. Could everyone please have their school uniform for these. Dormouse and Badger Classes do have Woodland School on Thursday but if they could wear their school sweatshirt that would be appreciated. Family photos, where the youngest sibling is not in school, will start at 8.30. Please ring the buzzer if you would like your family photo taken.

BOOK AND EQUIPMENT AMNESTY

If your child(ren) has(have) any school books (e.g. library books) or equipment at home, could they please return it next week. Returned items may earn the children dojo points!!
