SEND NEWS

This week, Shropshire Council's media engagement team have been recording some video to promote the LEANS project that Badger and Hedgehog classes have been following. The project develops understanding of neurodivergent conditions. The children involved in the video were absolute stars and represented our school and themselves extremely well. A huge vote of thanks must go to Miss Butler for delivering some highly impactful PSHE work and helping to drive the understanding of neurodiversity in school.

STAR PUPIL

Congratulations to James Good who earned the 'Most Improved' player award (2024/25) for Shawbury United U9 football team. Well done James!

SUSTAINABILITY CORNER

There are 4 Prime Areas for our Climate Action Plan (CAP):

2 - Biodiversity. This area is concerned with how we manage and develop areas of the school to increase opportunities for diversifying and extending the range of flora and fauna. We have our community veg garden where the children are learning about planting seeds and seedlings and looking after them. We also, of course, make use of the hill as an area to learn about, and interact with, plants, trees and wildlife (big and small!). Could you extend your wild areas by not cutting a small patch of your lawn and allow it to go wild, or even growing a mini garden (in a large seed tray)?

DEBTS

Please make sure that all debts are paid by the end of term. A final invoice for WAC will be issued at the start of the holiday. I would think that any credit on Y6 accounts could be carried over as Thomas Adams also use ParentPay - **please check**.

Our value for the half term is **'Respect'**.
